

10 YEARS OF GRACE

2024 ANNUAL REPORT

Dear Friends,

Ten years ago, while stopped at a red light at the corner of St. Charles and Calliope watching the homeless beg, a familiar thought ran through my head: "Someone should do something about this."

Only this time, I heard a response: "That someone is you."

Meeting the unhoused community where they are requires patience, understanding, and a respect for the dignity and God-given potential of every person. We believe reliability builds trust, and it starts with something as simple as a daily meal. We open our doors at 6:30 am to everyone, every day. Each person is looked in the eye, listened to, and treated with compassion. Only then can we help them with their unique needs. Everyone has a story; no two situations are the same!

As needed, we offer referrals to the tens of other organizations in New Orleans who provide necessary services. Understanding referrals from a trusted, consistent source may be the biggest role we play. We can't do it without our loving, committed donors and volunteers. Together with exceptional faith, we provide Grace to the unhoused. **Thank y'all for being Grace.**

Peace and love,

Chris Beary

10 YEARS OF **IMPACT**

Grace at the Green Light is the only local organization that offers intensive case management and nutritional support - 365 days per year - for those not staying overnight in local shelters.

Since 2014, we have greatly expanded our services to address the most dire needs of our community's growing unhoused population, with a focus on three signature programs:

MEALS WITH LOVE

Served **345,000**
nutritious meals

Distributed **38,000**
articles of clothing

GOING HOME

Reunited **3,246** individuals
with safe & stable family

Fewer than **7%** back on the streets
after three months of follow up

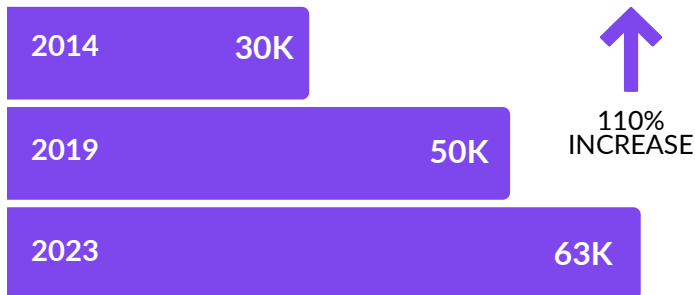

HYDRATE NOLA

Distributed **1.3 million**
bottles of water

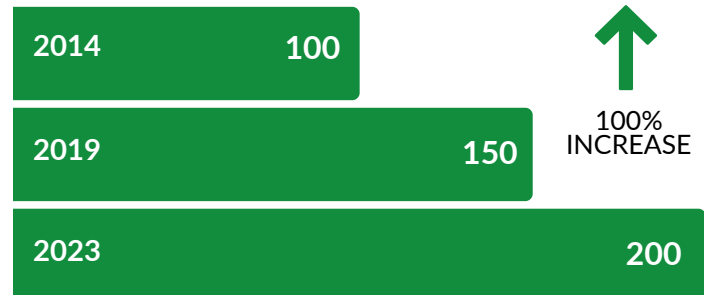

Constructed **12** water fountains
(with **6** more underway)

We have also coordinated a number of meaningful experiences to lift spirits and foster community engagement, like our annual "Fest for the Unhoused" and trips to both Jazz Fest & NOLA Funk Fest.
